

PACKAGING AND SHIPPING FOR THE EXPERT TASTING

The following quantities must be sent in for the expert tasting on 8 and 9 October 2020

Container sizes of 0.5 Litres and above	Container sizes below 0.5 Litres
12 bottles	18 bottles

Each bottle must be marked visibly with an adhesive label containing the following data:

- Registration number of the beer (see confirmation form)
- Number of the beer category (see List of Categories EBS 2020)
- Each bottle must also bear the label which the beer is commercially sold with.
- Bottles must be delivered in packaging.

To avoid breakage, the following is recommended:

- Wrap each bottle in bubble wrap.
- Put the bottles upright in the shipping box.
- Stuff empty spaces inside the box with packing material.
- Mark the box with "Fragile" and "This side up".

Please send your beers between 7 and 28 September to the following address exclusively:
